

**HUNTING SCHOOLING DAY**

**Thursday, 13<sup>th</sup> October 2016**

**Closing date for entries: Monday 10<sup>th</sup> October**

The day is designed for:

- the newcomer and less experienced hunter who wishes to improve their knowledge and horsemanship skills on the hunting field.
- the experienced hunter who wants to brush up on their riding skills and practice jumping natural obstacles in advance of the forthcoming season.
- Participants will need to bring their own horse and appropriate riding clothes, including crash hat and back protector to current British Standards
- Overnight stabling and accommodation available
- Participants will be grouped according to ability and receive 1 ½ hrs mounted tuition with the emphasis on learning how to cope with various obstacles and incidents likely to occur during a day's hunting (organised by Pontispool Equine Sports Centre)
- Following tuition you will have a choice of two mock hunts with Guy Landau, MFH and a small pack of Taunton Vale Foxhounds. The first hunt will be relatively slow with smaller obstacles and the second hunt is for the more experienced rider who prefers a faster pace and larger obstacles. Guy will demonstrate horn blowing and explain hound work and scenting conditions. Your Field Master will explain basic etiquette and answer any burning questions (organised by Taunton Vale Foxhounds)
- The day rounds off with a hunting tea
- Cost £60 (all inclusive)
- Times and groupings will be published on the Pontispool website [www.pontispool.com](http://www.pontispool.com)

**HUNTING SCHOOLING DAY - Thursday, 13<sup>th</sup> October 2016**

Name: .....

Address: .....
