Course description

Pontispool's course runs over permanent pasture and parkland and crosses interesting, mildly undulating countryside. Designed by Eric Winter, all courses are up to height and inviting. There is a good variety of fences and the designer makes use of natural features and three water complexes. The BE aggravator will be used if conditions require, and there are all-weather takeoffs and landings at permanent fences. Each year new fences are added and the courses vary between BE events. The Show Jumping ring and practice area take place on the 11,000m² Wychanger all-weather arena. The Dressage is on level, permanent pasture, which will be aerovated if necessary.
