Course description

Pontispool's course runs over permanent pasture and parkland, crossing interesting, mildly undulating countryside. Designed by Eric Winter, all courses are up to height and inviting. All five courses are educational with a good variety of fences and include water, ditches, quarries, steps and banks. Easier alternatives are included at technical fences. The BE aggravator will be used if conditions require and there are all weather takeoff and landings at permanent fences. Each year, new fences are added and the courses vary between BE events. The Show Jumping ring and practice area take place on the 11,000 sq metre Wychanger all-weather arena. The Dressage is on level, permanent pasture which will be aerovated if necessary.
