### Course description

Pontispool's course runs over permanent pasture and parkland, crossing interesting, mildly undulating countryside. Eric Winter will design the courses appropriate for the time of year. There are a good variety of fences and the designer makes fantastic use of natural features and three water complexes. The BE aggravator will be used if conditions require and there are all-weather takeoff and landings at permanent fences. Each year new fences are added and the courses vary between BE events. The show jumping ring and practice area take place on the 11,000 square metre all-weather Wychanger Arena. Dressage is on level permanent pasture, which will be aerovated if necessary.

**SJ Course Designer** Andy Palmer

**XC Course Designer** Mr Eric Winter
